

## Kaikoura Claim 2

	Number of Owners
Current Owners in MLIS	966
For Removal	460
New Additions	939
New Owner Total	1445

Of the 467 Owners marked for removal in this block, they break down as follows;

1. Issue of Current Owners (Either living or no succession completed)	<b>207</b>
2. Deceased – Evidence in the Court Record	<b>127</b>
3. No Evidence in the Court Record (E.g. succession by will , no statement of issue)	<b>44</b>
4. Court Record Contradicts NTACT DB Whakapapa	<b>61</b>
5. Not entitled to Ownership	<b>21</b>
<b>TOTAL</b>	<b>460</b>

Additional Notes on Kaikoura Claim 2:

1. I have excluded descendants of a Maud Stubberfield, who the NTACT Database identifies as an issue of Maud Norton, daughter of Tame Norton. The original owner K69 Maud Norton's successions do not mention the name Stubberfield, or a daughter named Maud.

The name Stubberfield is not present in our Index of names or in our Archives Index, however Ngai Tahu Whakapapa file 25 does show Maud Stubberfield, and 39 SI 196 states that Maud Norton had two marriages and 9 or 10 children (also says that all but one died without issue).

2. A David Boyd was included on the original owners list by the NTACT. From the documentation I have found it appears that he was a European farmer who was in the process of buying up the shares of Māori land owners in certain blocks in order to increase the size of his farm. IO have left him in until I can get some direction on what to do about his inclusion.
