

Notification of applications that have not been finally determined (over 6 months old)

29 February 2024

TAKE NOTICE THAT the following schedule of applications are hereby notified pursuant to rule 5.11(2)(b) of the Māori Land Court Rules 2011 being applications which are 6 months or older as at 31 August 2023, and which are currently held by the Registrar in the District set out, or, in the case of applications to the Chief Judge of Māori Land Court or those to the Māori Appellate Court, by the Chief Registrar.

This is a snapshot of applications as at 29 February 2024 and some applications that appear on this schedule may already have been dealt with by the Court at the time of print.

In complying with rule 5.11(1)(a) of the Māori Land Court Rules 2011, this schedule only includes those applications which are still pending a **final** outcome or decision or determination by a judicial officer (either a Judge or a Registrar).

The Māori Land Court moved to a new database, Pātaka Whenua, in late May 2023 replacing the Māori Land Information System. All applications were migrated to Pātaka Whenua and given a new application reference number.

Applications are grouped by District and include the Pātaka Whenua and MLIS application reference number, the date on which the application was received by the Court, the subject of the application, the authority under which the application is made and the applicant(s). Where the authority is blank, the authority has not yet been determined.

In addition, in accordance with rule 5.11(1)(b)(iii) of the Māori Land Court Rules 2011, a brief summary of the reason why the application has not been finally determined is also provided for each entry. A full description of each reason is provided below.

For further information in respect of any application on this schedule please contact the Office in which the application is located in the first instance.
